

From Trish: Below is a list of Camarillo restaurants that have outdoor seating. Players are urged to support our hometown eateries if planning a meal out. The names below were sent in by our fellow pickleball players; please feel free to share this list with your friends. Our local businesses need our patronage so that employees can keep their jobs. Please buy local when you can.

While there are very good restaurants in all cities, this list is limited to Camarillo ONLY. All establishments listed have different schedules, so check online for each place's days and hours of operation. If it fits into your budget, please tip the servers generously; their wages have been especially hard hit during the COVID shut down.
